This term's learning:

Our theme in Y4 is “Royals & Rebels”. Pupils will continue to learn about the history of the royal family and significant individuals in the past. This half term we will be designing and making our own royal transport vehicles!

In English our current text is ‘Charlie and the Great Glass Elevator’ by Roald Dahl. Through this text pupils will learn to write non-chronological reports, persuasive pieces and explore narrative poetry through a Roald Dahl poem.

Our maths work over the next few weeks will develop the children’s knowledge and understanding of measurement and written methods of calculation for multiplication and division.
