Word of the Week

In Key Stage 1 this week's word for the week has been **enchancing**; in Key Stage 2 it has been **derelict**. Our children have been using their word of the week in different contexts to help develop their vocabulary. This week's winners are:
Key Stage 1 – Leah Arman: "The enchanting queen glares at her servants."

Key Stage 2 – Carmela Franch: "Derelict means when something is broken or falling down."

Magical Maths

The first set of Magical Maths sessions ended this week, with a lot of pupils having an engaging time doing some very creative maths. While this was a lot of fun for the children, it has also been a great way to help develop children's maths skills and to consolidate what they are doing every day in the classroom. Professor Poopentshtinken told us how great the programme has been for the pupils and that there will be another set of sessions available after half term...watch this space!

Warm weather

As the weather (finally!) begins to get warmer in the coming weeks and months, please ensure that your child comes to school with appropriate clothing, hats and sun screen.

Coffee Mornings next half-term

Our next coffee mornings will take place on the following dates: 27 April; 11 May; 25 May. It would be lovely to see you there for a chat.
