Child collection:

A reminder about collecting your children at the end of the school day. Year 5 and Year 6 pupils with written permission are allowed to walk home themselves but cannot collect and be responsible for younger children. It must be an adult (18 and over) collecting children from school rather than older siblings unless prior written permission is given. Thank you.

New Planners:

In September your child will receive a new planner. Please look out for a few changes, including sections for you to see your child's attendance and any behaviour sanctions received. There is also a new box for a celebratory message from home each week. Please do check your child's planner every week.

Homework:

Many thanks to everyone who took part in the homework survey on Twitter. We have taken your feedback and are tweaking our approach to homework for September. More information to follow at the start of the new school year.
