

Children's Mental Health Week

This week, children have been engaging in Children's Mental Health Week. This has included classroom, activities, an assembly as well as Friday's 'Dress To Impress' day. We were also able to invite a Paralympian into school to talk to some Year 5 children about self-confidence and the importance of mental health. Kayla Bell is a British wheelchair basketball player who has played for Great Britain - the children loved listening to her inspirational story.
