31 March 2022

Dear Families,

I am writing with exciting news! The Year 3 trip to Eureka! Is to go ahead on **Tuesday 3 May 2022**. As mentioned in the previous letter, this is an excellent opportunity for the children to further develop their understanding of a range of forces including gravity and friction alongside consolidating our prior learning about human bodies and healthy living. The children will develop their scientific enquiry skills through a wide range of hand-on interactive activities including illusions, role play and practical investigations. They will also explore forces, energy and magnets in depth through hands on investigations and engaging science demonstrations as part of a science workshop.

The children will be taken by coach and arrive back before the end of the school day (traffic permitting) they will be accompanied by staff from our school at all times. Children will need to be in full school uniform and be dropped off and collected from school at the normal school times.

As we will be out of school for the day, children will need to bring a **healthy** packed lunch along with two drinks (**no cans or glass bottles**). **Please ensure your child's packed lunch does not contain nuts or food products that contain traces of nuts.** All packed lunches need to be clearly labelled with your child's name. If your child receives a free school meal, they will be provided with a packed lunch, please also provide your child with two drinks.

As we already have your completed slip for the trip, confirming you consent for your child to attend, we only require the payment of £16.50 **Please note if payment is not received from parents/carers prior to the visit, your child will not be able to attend.**

We now ask that you kindly log onto the secure ParentPay system and make the payment of £16.50 which includes cost of transport, entry to Eureka! and the educational workshops. The trip has been subsidised by school, to make it as affordable as possible. Please make this payment by no later than **Tuesday 26 April 2022**. If you are unable to log on to ParentPay please visit the school reception and ask for Mrs Tonner, who will be able to provide you with your log in details.

We are sure that the children will have an amazing time, as this will be a lovely experience for them!

If you need any further information please speak to the Year 3 Team.

Yours faithfully,

Miss Lismore
Year 3 Lead
