

IMPORTANT NOTICE: Free School Meals

If your child is in Reception, Y1 or Y2, they are eligible for Universal FSM but you can still apply if you think you are eligible for income-related free school meals. If your child is in Year 2 and receiving universal free school meals, please remember that this will stop when they move into Year 3 (when your child moves into Year 3, this means that unless you are entitled to FSM, they will no longer receive free school meals), so please ensure you have applied if you think you eligible.

School receives additional funding for the number of pupils in receipt of free school meals and it has never been as important as it is now to try to provide crucial interventions to help pupils catch up – any additional funding will help us to achieve this goal.

Please ask your class teacher or call into the school reception for an application form.

Eid

Next week the children will be learning about the Muslim celebration of Eid al-Fitr. The children will be learning about what Ramadan is and how Eid is celebrated as well as doing activities that relate to Eid.
