

Jubilee Celebrations

A reminder that next Friday we will be celebrating the Queen's Platinum Jubilee at school. The children will be participating in a wide range of activities to learn about this historic event. They are invited to dress in red, white and blue if they wish to. Crowns, tiaras and royal costumes will all be welcome and will add to the theme of a Royal Celebration. The afternoon will involve a tea party on the field followed by a commemorative performance for parents at 2:40. A letter has been sent home with details of timings. It will be a lovely way to end the half term.

Walking with dinosaurs!

Next week Year 2 pupils will be welcoming the DinoDome into school. This is an immersive experience as children step foot into the world of the dinosaurs. A special dome will be set up in the school hall and every Year 2 pupil will walk with the dinosaurs...let's hope they're not too hungry!

Sunny weather

As you may have noticed, the weather is just about getting nice and warm. At this time of year the children love to play out on the playground and field and we also have more outdoor PE lessons taking place. Please can you ensure that your child attends school with sun cream already applied - Factor 50 is appropriate; we also recommend the children bring a hat to wear for when they are playing outside. We will ensure that the children have sufficient water intake throughout the school day.

Attendance

Congratulations to the following classes for having the best attendance of last week:

- **EYFS/KS1: Silver Class (Reception)**
- **KS2: Iridium, Uranium, Xenon (all Year 6!)**

These classes can enjoy 10 minutes extra playtime next week.

Zones of Regulation - Monday 23 May:

On Monday we are holding a Zones of Regulation session at 3:30 with any parent who was unable to make the coffee morning that we held in March. It's an opportunity to learn more about the Zones of Regulation. Please come along if you are available - everyone is welcome!
