

Jubilee Celebrations

The children have enjoyed a fun day of activities to mark the Queen's Platinum Jubilee. We hope that parents enjoyed watching the pupils perform their special tribute song which they have been rehearsing for several weeks.

Science Award!

We are delighted to inform you that Morley Newlands has been awarded the Primary Science Quality Mark - Gilt Standard; an accreditation that will be retained for at least three years. This follows the high-quality submission led by our Science Lead, Mrs Burnill. Since the opening of the science lab in September, many children have received a rich and enthralling science curriculum that we believe sets us apart from the majority of primary schools. Our ambition to set many young people on a path towards a career involving the sciences. This important award is testament to the hard work that has already taken place in science this year.

Nursery places

We still have some places in our wonderful nursery from September. Please use the email address (right) to enquire about securing a place for your child.

**15 Hours Free Nursery Places
Available For September
And January.**

Well done Year 2

All week, the Year 2 pupils have been working hard on their important quizzes. The children have completed several tests on reading and maths and have performed excellently, working really hard to do their best. The Year 2 teachers are really proud of the effort that the children have put in. Top work Year 2!

Attendance

Congratulations to the following classes for having the best attendance of last week:

- **EYFS/KS1: Carbon Class (Yea 2)**
- **KS2: Xenon (Year 6)**

These classes can enjoy 10 minutes extra playtime next week.
