

27 April 2023

Dear Families,

Proposed Year 6 trip to Living Seas Centre, Flamborough

This term, Year 6 are studying coastal erosion as part of our Fragile Earth geography topic. To bring this learning to life, we have an exciting learning opportunity that we would love the children to take part in. We are proposing a visit to the Living Seas Centre at Flamborough South Landing on **Thursday 08 June 2023**. Children will need to arrive at school for 08:00am as we are planning to leave at 08:15am prompt. Arrival time back to school will be approximately 4:15-4:30pm. (traffic permitting)

The children will have the opportunity to explore the coastline, learning about the biodiversity found on the rocky shore. This will also include a guided rockpool session to search for weird and wonderful marine life. The children will learn about the effects that humans have on the environment, how litter impacts the marine environment, how long different materials take to break down and conduct a beach clean.

As we will be out of school for the day, children will need to bring a **healthy** packed lunch and a snack for when we arrive, along with two drinks (**no cans or glass bottles**). **Please ensure your child's packed lunch and snack do not contain nuts or food products that contain traces of nuts.** All packed lunches need to be clearly labelled with your child's name.

If your child receives a free school meal, they will be provided with a packed lunch. Please complete choice of sandwich filling on the consent form below. Your child will also need to bring a snack along with 2 drinks. If you would like to provide your child with a balanced packed lunch, please highlight this on the consent slip below.

The cost of the trip will be £24.00 per child. This includes the cost of transport and the workshops which will take place during the day. The trip has also been subsidised by school, to make it as affordable as possible. Please confirm on the slip below that this will be paid in full via ParentPay **once the trip has been confirmed**. If you are unable to log on to ParentPay, please visit the school reception office and ask for Mrs Tonner who will be able to provide you with your log in details.

If you would like your child to attend the trip, please complete and return the consent slip below and return to your child's class teacher by **Thursday 04 May 2023**. Further letters will be sent out in due course, once we have received all of the consent forms.

Please note that if we do not receive the signed consent slips back from parents/carers prior to the visit, your child will not be able to attend. We are unable to accept verbal permission by telephone.

We hope all the children can attend as this will be a lovely experience for them!

If you need any further information, please speak to the Year 6 Team.

Yours faithfully,

Miss Davey
Assistant Principal / Year 6 Teacher
