This week Year 3 have had a fantastic time participating in their den building sessions.

They showed fantastic teamwork, perseverance and problem-solving and were all able to build a fantastic structure big enough to fit the whole team. The structures were even strong enough to withstand the storm created by leaf blowers and buckets of water.

Attendance

Well done to the following classes who achieved the best attendance last week. These classes will receive 10 minutes extra playtime.

Year 6 – Poplar Class 100%

For safeguarding reasons, we ask that family members do not take photos or videos of their children during any assemblies when parents and carers are invited. Any person doing so will be asked to delete pictures or videos from their phone. We ensure that children can have the opportunity for an individual photo with their family at the end of the assembly.
