

09 May 2023

Dear Families,

I am writing with exciting news! The Year 3 trip to Magna is to go ahead on **Wednesday 28 June 2023**. As mentioned in the previous letter, this is an excellent opportunity for the children to further develop their understanding of rocks and light, our summer science topic. The children will develop their scientific enquiry skills through a wide range of hands-on activities including practical investigations and interactive pavilions. The children will also explore how igneous rocks are made by lava through engaging science demonstrations and practical workshops.

The children will be taken by coach and arrive back before the end of the school day (traffic permitting). They will be accompanied by staff from our school at all times. Children will need to be in full school uniform and be dropped off and collected from school at the normal school times.

As we will be out of school for the day, please provide your child with a **healthy** packed lunch along with two drinks (**no cans or glass bottles**). **Please ensure your child's packed lunch does not contain nuts or food products that contain traces of nuts.** All packed lunches need to be clearly labelled with your child's name. If your child receives a free school meal, they will be provided with a packed lunch, unless you opted to provide your own, please also provide your child with two drinks.

As we already have your completed slip for the trip, confirming you consent for your child to attend, we only require the payment of £11.90. This includes cost of transport, entry to Magna, educational workshops and the deduction of £3.60 that was paid towards the cancelled Creature Ark day. The trip has also been subsidised by school, to make this as affordable as possible.

We now ask that you kindly log onto the secure ParentPay system and make the payment of £11.90. Please make this payment by no later than **Wednesday 07 June**.

If you are unable to log on to ParentPay please visit the school reception and ask for Mrs Tonner, who will be able to provide you with your log in details.

We are sure that the children will have an amazing time, as this will be a lovely experience for them!

If you need any further information please speak to the Year 3 Team.

Yours faithfully,

Miss Lismore
Year 3 Lead
